

I'LL BE HOME FOR CHRISTMAS (Marilyn version)

I'll be home for Christmas
You can count on me
Please have snow
And mistletoe
And presents 'neath the tree

I love pearls and diamonds
Sable by the yard
Show me that you love me
With your Visa Card

Some expensive perfume
Chocolates, I adore
While sipping on
Dom Perignon
Remember, I prefer the '54

I would love a Jaguar
Black, with lots of chrome
And a round trip ticket
London, Paris, Rome

Buy me lots of presents
Or I'm not coming home
