"Not Expensive"

GUY 1: The most amazing thing happened last night.

GUY 2: What?

GUY 1: I took Angela out for dinner last night to Hy's Mansion.

GUY 2: Hy's Mansion? Isn't that expensive?

GUY 1: Not expensive.

GUY 2: Not expensive?

GUY 1: No. Everybody thinks so but it's not. Anyway, we had this great dinner and when we're leaving...right there on the front steps...there's all these lights in the sky, flashing...and this noise...and all of a sudden this huge space ship appears through the clouds...and then this red beam of light comes down, centers on Angela, and she flies up through the air, screaming, and disappears into the spaceship...and it takes off.

GUY 2: I don't believe it. Not expensive at Hy's Mansion.

GUY 1: Not expensive.

ANNCR: Hy's Mansion...elegance, class, delicious cuisine and yet....not expensive. At 1723 Davie St. Call ahead for reservations.

GUY 1: My Angela is gone forever.

GUY 2: Not expensive?

GUY 1: Not expensive.

The good news is that Sparky has gone for help.

VOICE: Oh, I think I hear him now.

SFX: Dog yip, splash of water.

VOICE: Oh. Hi, Sparky.

ANNCR: Comedy Night at Diego's Pub. Tonight featuring Mike Harrison and Gerry Owens. Call or go online for reservations.

SFX: Splashing.

VOICE: What's that Sparky? The dog paddle? Cute.
